*Whitecap Community Safety Officer (CSO)
Program.*

CONTACT INFORMATION:

Temporary Phone Number: 306-281-4868

Office Location: Whitecap Dakota FN Fire Hall.

FREQUENTLY ASKED QUESTIONS:

WHAT IS A COMMUNITY SAFETY OFFICER (CSO)?

A CSO will provide additional uniformed presence and patrol in WDFN. They can investigate low-risk incidents (ex. property theft) and engage in the enforcement of provincial laws and/or WDFN bylaws. They may also work with prevention-based programs, such as schools or with community groups.

WHAT HAPPENS TO THE RCMP?

CSO's and the RCMP will work together. When CSO's deal with low-risk incidents, the RCMP will have more time to focus on serious criminal investigations.

CAN CSO's PULL YOU OVER?

Yes, CSO's can pull you over when they are in uniform.

CAN CSO's ARREST YOU?

CSO's have the authority to make arrests under certain provincial legislation.

DO CSO's CARRY WEAPONS?

CSO's do not carry guns, however, they do carry handcuffs, batons, and an Oleoresin Capsicum spray.

WHY DO WE HAVE CSO's?

In October 2019, WDFN, Muskoday, and the Province of Saskatchewan signed an MoU agreement. The MoU implements the CSO program to better enforce our laws and ensure community safety. This pilot program is supported by federal and provincial policing funding and by the Lands Advisory Board.

CSOs may enforce laws under the following acts:

- *The Traffic Safety Act*
- *The Alcohol and Gaming Regulation Act, 1997*
- *The Highways and Transportation Act, 1997*
- *The Whitecap Environmental Protection Law, 2018*
- *The All-Terrain Vehicles Act and The Snowmobile Act*
- *The Trespass to Properties Act*
- *The Mental Health Services Act*
- *The Stray Animals Act*
- *The Summary Offence Procedures Act*
- *WDFN Smoking Bylaw*
- *WDFN Cannabis Control Law (2022)*
- *Other WDFN Bylaws (e.g., waste disposal)*

STC Well-Being Services

Saskatoon Tribal Council (STC) Well-Being Services works collaboratively with our member communities to provide positive outcomes for children and families through the Progressive Model. The Progressive Model funding assists communities in enhancing their prevention and family support services that keep families intact and thriving within their circle of support and cultural connections. The goal is to move towards implementing and delivering their child welfare model.

Well-Being Services provides two collaborative pathways of services to STC members in their respective communities:

➤ Child Protection and Child Safety Services

STC has the legal authority under delegation of the Ministry of Social Services (Child and Family Services Act) to assess, investigate, and respond to alleged reports of child welfare concerns in our member communities.

Well-Being Services works collaboratively with communities to respond to child welfare concerns focusing on addressing safety concerns that support the child's best interest and build upon family strengths.

➤ Secondary-Level Services

Ongoing assessments are essential in enhancing prevention and family support services. Communities are in the best position to know what is required to meet the needs of their families and children.

Well-Being Services helps facilitate and support capacity building in essential prevention and family support services for our member communities through our clinical and technical support services.

STC Urban Family Services

Our urban members can also access STC Urban Family Services programs for family support and children programs at their new location at 320-21st Street West in Saskatoon. Please call 306-956-0318 for more information or visit STC's webpage.

Intake Contact Information

General Inquiries about Well-Being Services:

306-659-5668 or toll free 1-844-956-5668

(Monday to Friday 8am to 4:30pm)

This number gets forwarded to an answering service outside of office hours and only urgent child welfare concerns will be patched through to an on-call worker

For Kinistin, Mistawasis, Muskoday, One Arrow, and Whitecap:

STC toll-free child protection reporting line: 1-866-871-4237

This number is forwarded to a call-center after hours, which in turn directs the call to the STC worker on call.

For Muskeg Lake:

Child welfare reports currently go directly to the Ministry of Social Services. Their toll-free intake number is 1-800-274-8297. This number is routed through Mobile Crisis outside of regular office hours.

The Child and Family Services Act requires First Nations Child and Family Services Agencies to provide services to families on reserve where children are believed to be in need of protection. The goal of child protection services is to maintain children in their family home whenever possible and, if a child must be removed for their protection, to reunite families as soon as possible.

What is child abuse and neglect?

Abuse and neglect refers to circumstances that may be harmful to a child's physical, emotional or psychological health.

- **Physical abuse** – any action, including discipline, causing injury to the child's body. Indicators: the presence of several injuries over a period of time; any bruising on an infant; reluctant to go home; cannot recall how injuries occurred, or offers an inconsistent explanation.
- **Sexual abuse** – any action involving a child in sexual exploitation or sexual activity including touching, exposure, using a child in the making of/or viewing pornography. Indicators: injuries to the genital or anal area (e.g., bruising, swelling, infection); pregnancy; age-inappropriate sexual play with toys, self, others; bizarre, sophisticated or unusual sexual knowledge.
- **Emotional maltreatment** – expecting a child to be able to do things he or she cannot do, embarrassing or insulting a child, making hurtful comments about a child's appearance, intelligence, size, ability, etc. Indicators: bedwetting and/or diarrhea which is non-medical in origin; frequent complaints of headaches, nausea, abdominal pain; extreme withdrawal or aggressive behavior; severe depression; running away from home.
- **Neglect** – failing to provide a child with enough food, proper clothing, shelter, health care, or supervision. Indicators: hunger, inappropriate dress, poor hygiene, developmental delays; persistent health conditions (e.g., scabies, head lice); steals food; reports no caregiver at home.
- **Domestic violence** – exposing a child to a pattern of abusive behavior or threats of abusive behavior by one caregiver against another (hitting, kicking, restraining, slapping, throwing objects, intimidation, stalking, etc.). Indicators: physical injuries; aggressive or antisocial behaviours; poor social relationships; low self-esteem.

Duty to Report

Anyone having reasonable suspicion that a child's physical, mental, emotional welfare has been or is being neglected has the legal duty to report such information immediately to a local First Nations Child and Family Services, Ministry of Social Services, or to the Police.

“The duty to report overrides professional confidentiality codes when there is reason to believe that a child may be abused or neglected.”

As a parent...

If you would like general information on supports available, please call 306-659-5668 or toll-free 1-844-956-5668 and request to speak to the Social Worker on Duty.

If you feel unable to safely parent your children, please call **1-866-871-4237**.

As a community member...

If you believe a child may be neglected or abused, you have a **legal responsibility** to report your concerns by calling **1-866-871-4237**.

Indian Registry Administrator Report August 2023

CIS (Certificate of Indian Status) CARDS

By appointment only. Should you require a status card, you may call the Whitecap Government Office at (306) 477-0908 and leave a message with our receptionist. Our receptionist is instructed to screen your call for basic information: Name, reason for card request (First, Expired, Lost), phone number and/or email, and if you have the proper I.D. Then the IRA will contact you to book an appointment.

Is it time to Renew your CIS card? To find out; check your expiry date on the back of your current laminated status card. Please contact the Band Office as soon as you can to book in for a renewal once expired! Note that your Status number does not expire however, your photo must be updated every five years (for adults 18+) and every three years (for children under 18).

SERVICES AND INFORMATION

Italia Eagle is the IRA for Whitecap. For information on Indian Status eligibility, the SCIS (Secure Certificate Indian Status) card application form and process, and band membership, please contact her at the band office with your inquiry: (306) 477-0908

Important Update for Birth Registration Applications

PARENTS, PLEASE READ

We have been advised that applications for birth registrations that are mailed to the National Processing Unit in Gatineau, Quebec have been experiencing a delayed wait time of up to 2 years to process birth registrations, and that it is quicker to process birth registration applications if done in person or mailed to a regional office in Saskatchewan.

Parents: Please do not mail your child application for birth registration to the address listed on the application form. Instead, we strongly encourage parents to contact the Whitecap IRA for assistance with birth registration forms processing.

Options for parents for processing their child registration applications:

1. *On Reserve or Local Urban Parent Members:*
 - a. Preferred method: Make an in-person appointment with the Whitecap IRA to verify the completeness of your forms, then she will mail them directly to the regional office in Regina.
 - b. Mail the application to the Whitecap IRA so she can verify the forms content and send to the Regina office:

Process to Register Your Child on the Indian Register

Documents required:

1. A completed 'Application for Registration on the Indian Register (for children 15 or younger or dependent adults)'
 - Applications may be picked up at the Band office or Health Centre, as well as online on the Indigenous Services Canada website under the Indian Status tab. **Please note that any old versions of the application will not be accepted.**

Click here for current [Application](#) form

- **Important Note:** Spelling and spacing of any given or family names that will be entered in IRS must be the same as the names appearing on the Proof of Birth Document
2. An original proof of birth document with parental information
 - To get an original proof of birth document, applications may be picked up from the Band Office or Health Centre. You can also visit the Saskatchewan Vital Statistics website: www.saskatchewan.ca – Vital Statistics or view the contact information below.

Vital Statistics

Phone: 1-800-667-7551 (Toll-free Canada & US)
306-787-3251

Email: VitalStatistics@eHealthSask.ca

Phone service: 8 a.m. to 5 p.m. Monday to Friday (excluding statutory holidays)

- The proof of document must contain parental information (at least one parent stated on the birth document)
- The identity information must be visible and undamaged. If information is illegible, the document will not be accepted.

If the child or dependent adult's name on the application form is different from the name on the proof of birth document or legal documents, you must also submit:

- an original legal name-linking document, such as a change of name certificate, that links the previous name with the current name
- or
- a copy of a legal name-linking document and valid acceptable identification with the name that is on the application form

If the name of the applying parent, custodial parent or legal guardian is different from the name on any of the other necessary documents, you must also submit:

- a copy of a legal name-linking document, such as a change of name certificate, marriage certificate or divorce order, that links the previous name with the current name

WHITECAP IRA NEWS

If the Applicant cannot obtain the other parent's signature:

If both parents' names are listed on the child's birth document and after reasonable attempts to locate the other parent to obtain their signature were unsuccessful, a "Statement in Lieu of Other Parent's Signature" form can be completed.

3. A copy of valid acceptable identification of the applying parent, custodial parent or legal guardian; copy must be taken of the front and of the back of the identification, each copy signed and dated by a guarantor (IRA).
 - One piece of valid government issued ID which contains the full name, date of birth, photo, and signature. You can provide *more than one* supporting ID in order to fulfill the data requirements.
 - Must indicate the Document Type (i.e., Saskatchewan Driver's License), Document Number (i.e., Driver's License number), the Expiry Date (YYYYMMDD format), and your Name exactly as it appears on the ID.
4. **For a child (15 or younger)**, any legal documents granting custody or guardianship of the child to the applying parent or legal guardian, if applicable **for a dependent adult**, the guardianship order
 - Must indicate if there are any legal documents pertaining to the custody or guardianship of the child. If there are such documents, then must provide the most recent photocopies of the legal documents.
5. It is important to note that the **Guarantor Declaration** is required in the following three (3) situations:
 - When an applicant does not have sufficient supporting identification to submit with the application;
 - When the applicant is applying by mail without the assistance of an IRA; and
 - When a third party submits an application on behalf of an applicant

Note that the application form must be submitted to ISC within the last 12 months from the date it was signed by both parents

All required/mandatory fields must be completed as stated in the instructions. **Failure to complete these sections may result in delays in processing the application.**

Please note that applications for birth registrations that are mailed to the National Processing Unit in Gatineau, Quebec have been experiencing a delayed wait time of up to 2 years to process birth registrations, and that it is quicker to process birth registration applications if done in person or mailed to a regional office in Saskatchewan.

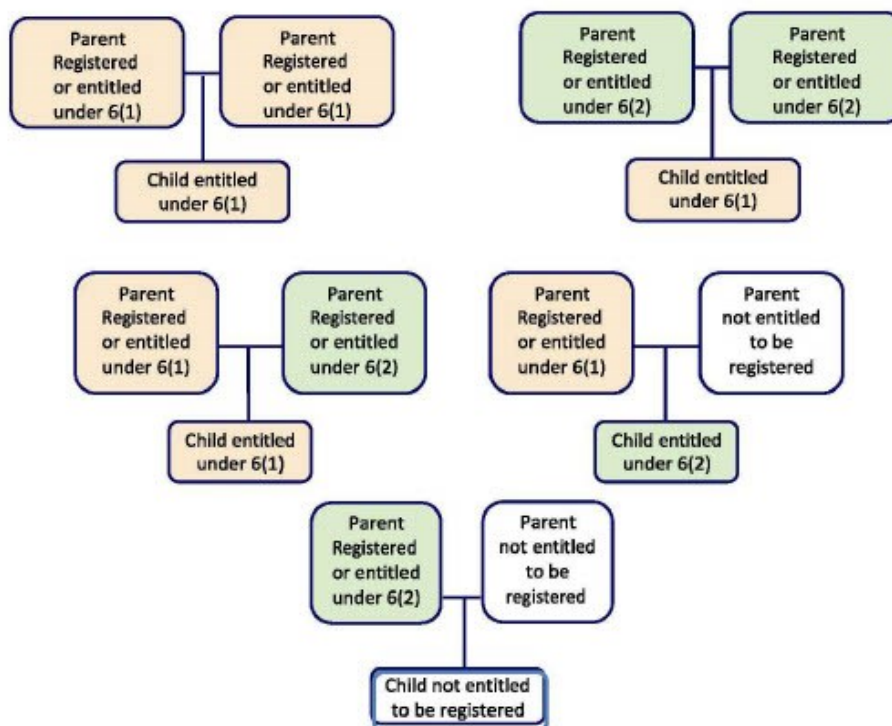

Parents: Please do not mail your child application for birth registration to the address listed on the application form. Instead, we strongly encourage parents to contact the Whitecap IRA for assistance with birth registration forms processing.

WHITECAP IRA NEWS

How do I know if my Child is Eligible to be Registered as an *Indian*?

Category Chart

This is a basic reference chart for section 6 entitlements under the *Indian Act*:

There are two key distinctions between entitlement categories, Subsections 6(1) and 6(2).

6(1) Entitlement

- An individual registered or entitled to be registered under subsection 6(1) can pass status to their child(ren).

6(2) Entitlement

- An individual registered or entitled to be registered under subsection 6(2) must parent with another registered or entitled to be registered Indian in order to pass status to the child(ren).

If only one parent is listed on a child's birth record, it is assumed that the other parent is non-Indian and therefore your child would only be entitled for registration under category 6(2) or not entitled at all. Therefore, it is crucial for the father to sign the "live birth document" in hospital at the time of birth. If the father could not be at the hospital at the time, please ensure to contact Vital Statistics Saskatchewan (eHealth) to request an "amendment to their child's birth record" to add the father.

WHITECAP BAND MEMBER PARENTS: *If you have any questions at all regarding Child Registration, or if you are unsure of your category of registration in the Indian Register, please feel free to contact your Whitecap IRA for assistance: Italia Eagle at (306) 477-0908.*

Do you have a will?

Did you know?

<9%

Less than 9% of First Nation peoples on reserve pass away with a will

- the INAC website has information about planning your estate
- your will differs if you live on- or off-reserve
- the *Indian Act* outlines what should be included in your will
- you can't gift your land on reserve to someone who is not a member of your First Nation
- you can change your will as often as you like
- writing a will doesn't have to be complicated or costly

Why make a will?

- to provide for your loved ones, your children and grandchildren
- to decide who will get your home

- to clearly state who should receive your possessions

- to name who will take care of your children and dependents

- to leave instructions for end of life ceremonies

- to name who will take care of your estate

A will could provide peace of mind and clear direction about your wishes to your family and loved ones

NOTICE REGARDING THE Whitecap Dakota First Nation MEMBERSHIP CODE, 2012

BACKGROUND

- The *WDFN Membership Code* document was approved by the membership on November 16, 2012 via referendum (voting).
- The Minister of INAC notified the WDFN on August 23, 2013 that the *Code* was approved and is effective retroactive to December 4, 2012.

MEMBERSHIP CODE GUIDELINES SUMMARY AND APPLICATION PROCESS

★ An individual must be a registered Indian in order to apply to be on the WDFN (Whitecap) Band list.

Automatic Membership Process

- The parent(s) that requested of INAC to be on the Whitecap band list at the time they applied for their child to be a Registered Indian is recorded by INAC as an “affiliate” of Whitecap.
- The parent(s) of an “affiliate” child is required to complete a separate application form for Band Membership and submit to the Membership Clerk for processing along with required document(s).
- The Membership Clerk notifies the parent(s) in writing of the status of Band Membership application.
- The Membership Clerk updates the Whitecap Band list accordingly.

DEFINITION OF AN “AFFILIATE”:

When an individual is affiliated with a Band, it means that the individual is a registered Indian in the IRS (Indian Registry System) with that band and is eligible for benefits including certain non-insured health benefits, the possibility of post-secondary education assistance and exemption from certain federal and provincial taxes. Only that band can grant an individual Membership and access to benefits such as: the right to reside on-reserve; housing on-reserve; voting privileges within the band; and the right to involvement in Community affairs, etc., depending on that Band’s Code.

Watch for your information package from the WDFN Membership Clerk

- The Membership Clerk is sending out letters to the parents of infants/children that were born after December 4, 2012 whose children are registered Indians affiliated with Whitecap but who have not yet submitted their child’s application for Band Membership. The Membership Clerk is also sending a letter to any adult affiliates.
- The letter will contain information on how to apply along with a copy of the *WDFN Membership Code*.
- **Note: the Membership Clerk will correspond to the latest address we have on file.**

If you have any questions, please contact Membership Clerk (Sheila)
at 306-477-0908 or scaisse@whitecapdakota.com

YOUR VOTE YOUR FUTURE

WHITECAP DAKOTA SELF-GOVERNMENT

On Monday, August 28, 2023, members of Whitecap Dakota Nation will have the opportunity to participate in an important community vote.

Re: **Maintenance Calls**

Please be advised that we are requesting all tenants take the following actions prior to making a maintenance call to the Housing & Public Works.

All housing units have received a Basic Home Maintenance Manual. Within the manual holds valuable housing maintenance tips. Such as replacing your furnace filter, plunging your toilet, sinks and tubs along with many other valuable maintenance guides.

1. When a maintenance repair arises please refer to your Basic Home Maintenance Manual and follow the procedure listed in the manual.
2. Should you fail to rectify the maintenance repair issue please call Housing & Public Works 306-477-2013 and we will try to assist you over the phone.
3. If maintenance repair attempts are unsuccessful, H&PW will then place a call to a Professional Service Technician.

If you have placed a maintenance call and a Service Technician has not arrived to your home within 24 hours please call H&PW and we will follow up. **DO Not** Contact the Contractor yourself unless you are willing to be **liable for the bill**.

Please do not disrupt Housing & Public Works while they are working in the community. They are extremely busy and are not authorized to change their schedule. Keep in mind it is not anyone other than the tenants' responsibility to report your housing issue.

Thank you for your immediate attention and cooperation in this matter.

Re: **Furnace Maintenance**

Please be reminded that it is the tenant's responsibility to maintain the upkeep of the furnace, 9/10 winter furnace service calls are due to a clogged filter. If the furnace service call confirms that the furnace filter is clogged the tenant **will be held responsible** for the cost.

All Housing Units have been provided with a Basic Home Maintenance Tenant Hand Book, page 23 – 26 contains helpful tips on Furnace Maintenance:

Once a Month

Change or clean filters during the heating months.

As a reminder when the seasons change, change the furnace filter but check often.

To determine how dirty the filters are, hold them up to a light source. If you can easily see light through them, then they are still deemed clean enough to use. Vacuum out return air grilles.

Unusual noises produced by the furnace should be cause for concern.

If airflow from your heat register decrease or seems cooler, chances are the furnace filter is clogged and must be replaced.

Benefits of Furnace Maintenance:

- Helps to increase equipment life
- Restores lost capacity
- Prevents breakdown
- Reduces utility costs
- Prevents unnecessary repair costs

Standard Furnace Filters are 16 x 25 and may be purchased at Home Depot, Canadian Tire and Walmart at affordable prices.

This winter ensure warmth and change your furnace filter.

Re: Dogs running at large

Please be advised that WDFN Housing & Public Works has received an increase in the number of complaints about dog(s) running at large and in some cases, acting aggressive towards people especially children. Due to this, WDFN Housing & Public works is taking a **serious stance** on owner(s) allowing their dog(s) running at large.

All tenants with intent to own an animal must request written permission from WDFN H&PW as per Tenancy Agreement section:

8. Maintenance

- g) The tenant is not allowed to have any pets on the said premises without written permission of the Housing Department.

A dog shall be deemed to be running at large when it is beyond the boundaries of the land occupied by the owner of the dog, or beyond the boundaries of any lands where it may be with the permission of the owner or occupant of the said land when it is not under control by being:

- A. In direct and continuous charge of a person competent to control it.
- B. Securely confined within an enclosure.
- C. Securely fastened so that it cannot roam at will.

Please accept this notice that WDFN H&PW will take necessary precautions to remove these dog(s) running at large from the community. In addition, fines may be issued starting at \$150.00 per charge and up to \$250.00 per charge for aggressive dog(s).

Re: **Garbage and Recycle Collection Schedule**

Loraas has made some changes to the pickup schedules for Recycle Collection.

Recycle Collection will be executed every second Monday starting January 16th 2023 which will greatly improve all facets of the operations including reliability as Loraas' routing will become much more efficient.

Waste Collection will not change and will still be every second Friday, waste will be collected on January 13th 2023.

Loraas is confident this will definitely be much more beneficial for WDFN Community.

Re: **Loraas Disposal Garbage Bins and Recyclable Bins**

Please keep in mind when discarding your garbage and recyclables.

1. Collection equipment requires clear, safe access to your container on collection day to ensure service.
2. Containers with inappropriate materials, overweight or over height could be bypassed by collection personnel.
3. Garbage bags should not be stacked on top of or beside the garbage bin. The garbage bin must be able to close. Cardboard boxes/material do not belong in the garbage bins but rather the blue recycle bins.

The Grey garbage bins are clearly marked **“DO NOT OVERFILL”**
The Blue Recyclable bins are clearly marked **“Recyclable Products”**

Below are illustrations of what to do AND what not to do on garbage day.

Does Your Family Have A 72-Hour Emergency Kit?

“What is a 72- Hour Emergency Kit and why do I need one”?

Many people ask the question, “What is an emergency kit?” Simply put, a 72-hour emergency kit (for blizzards, tornadoes, power outage, wildland fires or other occurrence) is a collection of basic items your family will need to survive in the event of an emergency.

Being aware that you and your family may need to survive on your own after a major power outage or disaster situation occurs, means having your own emergency food, water and other important supplies on hand in sufficient quantities to sustain yourself and your family for at least 72 hours.

Local officials and relief workers will be on the scene when possible after a disaster, but they cannot reach everyone immediately. You could receive help in hours—or it may take days or longer. Additionally, basic services such as electricity, gas, water, sewage treatment and telephones may be cut off for days, or even a week or more. Your emergency supplies kit should include plenty of survival essentials to help you manage during these outages.

Why Emergency Kits are Important?

Emergency survival kits have been used for centuries to protect people from natural disasters. Most people use emergency kits in natural disasters to keep them safe; however, there are also people who do not use kits because they do not think that they will ever need one because they have never experienced a natural disaster. 72-hour kits are important in any natural disaster because they keep you safe, are essential for staying prepared and fighting off stress, and could mean the difference between life and death in an emergency situation.

MAKE A PLAN TODAY. Your family may not be together if a disaster strikes, so it is important to know which types of disasters could affect your area. Know how you’ll contact one another and reconnect if separated. Establish a family meeting place that’s familiar and easy to find.

Since you do not know where you will be when an emergency occurs, prepare supplies for home, work and vehicles.

Home: Keep this kit in a designated place and have it ready in case you have to leave your home quickly. Make sure all family members know where the kit is kept.

Work/school: Be prepared to shelter at work or school for at least 24 hours. Your kit should include food, water, and other necessities like medicines, stored in a “grab and go” case (backpack).

Vehicle: In case you are stranded, keep a kit of emergency supplies in your car, and add items for winter driving as needed.

Emergency planning experts at WDFN are encouraging you to assemble your kit well in advance of an emergency. You may have to evacuate at a moment’s notice and take essentials with you. You will probably not have time to search for the disaster supplies you require, at a time when you most need them. Emergency preparedness provides peace of mind and safety for yourself and your loved ones, and ensures that essential survival supplies will be on hand and ready-to-grab when you most need them! Now is the ideal time to make sure your emergency supplies kit is in place and up to date.

WDFN EMERGENCY MANAGEMENT

Use this suggested checklist to stock a basic 72-hour kit and add items depending on your family's needs. Ideally, your kit should be stored in a waterproof and wheeled container. You may have to stay in your home without electricity or water, or you may have to evacuate your home for a period of time. Building a 72-hour emergency kit includes everything your family needs for a 3-day camping trip, at home.

A Communication Plan

How will you get in touch? Who are you out of area contacts that family members can contact during an emergency?

List of Emergency Numbers

Police, Fire, family doctor, family/friends who can help in a crisis.

Food and water

- Four litres of drinking water per person per day.
- Food (non-perishable and easy to prepare items).

FIRESMART BEGINS AT HOME

HELP REDUCE THE RISK OF WILDLAND FIRES

With the beginning of nicer weather comes all our favorite outdoor activities again. WDFN is currently under spring fire restrictions. Backyard fire pits are allowed with conditions. The WDFN Fire Chief must be notified prior to fire pit use, there must be means of extinguishment and must be fully extinguished after use. Fire pits are not to be left unattended.

To help reduce the risk of wildland fires, follow these fire safety tips.

REDUCE IGNITION SOURCES

It's possible to unintentionally start a grass fire or wildland fire in dry conditions. Reduce the risk by following these steps:

- Dispose of cigarettes and matches correctly. Don't throw lit cigarettes or matches out of your vehicle or on the ground;
- Avoid driving through or parking on dry grass. A vehicle's exhaust can reach a temperature of more than 538 degrees Celsius (1,000 degrees Fahrenheit). It only takes 260 degrees Celsius (500 degrees Fahrenheit) to start a fire;
- Don't use machines or tools that may cause sparks during dry conditions. If you must use a tool such as a grinder, wet down your working area and have a fire extinguisher handy;
- Teach your children not to play with fire or with matches. Fire can spread quickly.

BE FIRESMART

Reduce the risk of fire around your home and the community by practicing the FIRESMART tips below.

- Keep your lawn cut and your gardens and paths well maintained, and leave raked up;
- Keep woodpiles at least 10 metres (30 feet) from away from your home;
- Firepits should be placed as far as possible from structures, fences and trees as possible;
 - Keep the area 3 metres (9 feet) around the firepit free of combustible materials;
 - Always ensure the firepit has proper ventilation and is screened with 6mm or finer wire mesh.
- Cut the grass around your outbuildings and around tanks or other containers that may contain flammable materials;
- Do not burn trash or leaves unless they are in a dump or grass free area;
- Regular maintenance and cleaning in the corners and crevices of your yard and under your deck will leave nothing for embers to ignite;
- Relocate propane tanks at least 10 metres from your home;
- Hold your sheds and other structures to the same standards as your home.

KEEP YOUR FAMILY 72 HOUR EMERGENCY KIT UP TO DATE AND BE PREPARED TO EVACUATE.

Tips to FireSmart Your Home

Taking action to FireSmart your property will dramatically decrease the risk of wildfire damaging your home. The best part is, it's surprisingly easy to do.

- Clean under your deck to remove any combustible material. Establish a 1.5 metre non-combustible zone around the perimeter of the house and deck.
- Clean and maintain gutters and roofs. Keep decks and balconies clear of leaves and debris.
- Keep grass and weeds cut below 10 centimetres.
- Have a wildfire evacuation plan and make sure everyone in your household knows what to do.
- Download the [FireSmart home assessment](#) and do a self-assessment of your home and property.
- Hold sheds and other structures to the same standards as your home.
- Relocate propane tanks 10-30 metres from your home, and keep combustible vegetation a minimum of 10 metres from propane tanks.
- Move firewood and lumber 10-30 metres away from home.
- Prune trees to create a two-metre clearance from the ground to the lowest branches.
- Add non-combustible 5 millimetre screens to external vents (except dryer vents).
- Reduce the flammability of your landscaping and plant wildfire resistant vegetation. [Learn landscaping.](#)

Have Fun and Be Safe!

ATV SAFETY

All Terrain Vehicles, (including side by sides) are specifically designed for off road use and provide a rewarding recreational experience and a valuable tool for those that use them for work. They are not toys, and can cause serious injury or death when operated by the untrained and inexperienced riders.

In Saskatchewan all ATVs are governed by the Saskatchewan All Terrain Vehicles Act (2021)

According to Saskatchewan Government Insurance (SGI), 29 people were killed and 310 were injured in ATV collisions on public roads in the province from 2012 to 2021. However, a majority of ATV crashes and fatalities happen on private roads and aren't included in that data. In Saskatchewan ATVs are the leading cause of hospitalization and death for children 1 to 19 years of age.

In accordance with the Saskatchewan All Terrain Vehicle Act, to operate an ATV, you **MUST** be 16 years of age and have a valid Driver's License.

Youth between 12 and 15 years of age can operate an all-terrain vehicle if:

- they have successfully completed an approved ATV training course, or;
- they are directly supervised by a person who has held a driver's license for the previous year

Following these guidelines will ensure that you make it home safe and sound:

1. **GET TRAINED** – it's important that riders know how to ride their ATV properly. Youth between 12 and 15 years of age **MUST** have successfully completed an approved ATV training course. All riders can benefit from the training.
2. **Wear the Gear**. Saskatchewan ATV Act requires that all ATV riders (including passengers) wear a helmet and goggles (if the helmet doesn't have a face screen), this includes side by sides. Roll cages are not foolproof and in a roll over the driver's head can come in contact with the roll cage or other parts of the ATV resulting in serious head injuries.
3. **Do not allow passengers** unless the ATV is designed to carry a passenger. Single person ATVs are just meant for one person, adding a passenger can create a dangerous imbalance in the ATV, and roll overs are more likely to occur.
4. **The Right ATV** – this is especially true for children. ATVs have warning labels which advises what minimum age is appropriate to riding that ATV. Allowing a child or small person on an ATV that is too large or powerful to handle can have dire consequences.
5. **Ride with a Buddy or Group** – at the very least make sure someone knows where you are going to ride and when you are expected to come back.
6. **Know your Limits** – attempting advanced or tricky maneuvers, without the proper experience and training, can lead to crashes, and serious injuries.

DRONES

In accordance with Transport Canada regulations, drones are aircraft, and must be operated in accordance with Canadian Aviation Regulations.

In order to operate a drone in Canada you must;

- **Be in possession of a valid drone pilot licence;**
- **Be 14 years old to get a basic licence;**
- **Be 16 years old to get an advanced licence;**
- **Fly below 400 feet;**
- **Fly away from bystanders, a minimum of 30 metres;**
- **Fly away from emergency operations, outdoor concerts, parades, and large gatherings.**
- **Have the drone in visual line-of-sight at all times;**
- **NOT operate a drone in Class F airspace at any time.**

The airspace around Whitecap is classified as Class F Special Use Restricted airspace. Micro-drones are considered aircraft under the Aeronautics Act and Canadian Aviation Regulations and are therefore prohibited from entering Class F Special Use Restricted Airspace and cannot be flown within Whitecap boundaries.

Fines for individuals

- **up to \$1,000 for flying without a drone pilot certificate**
- **up to \$1,000 for flying unregistered or unmarked drones**
- **up to \$1,000 for flying in restricted airspace**
- **up to \$3,000 for putting aircraft and people at risk**
